

**FxPro**  
Trade Like a Pro

**advantages of forex/  
trading offers over  
gambling/betting  
products**

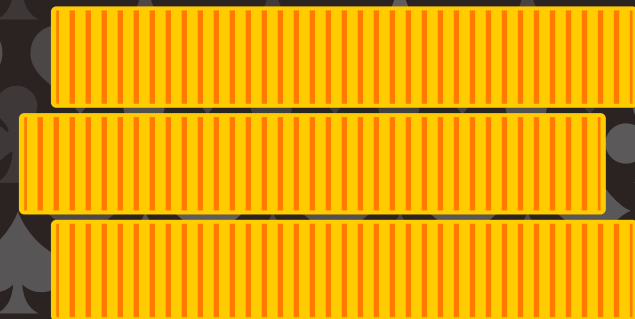

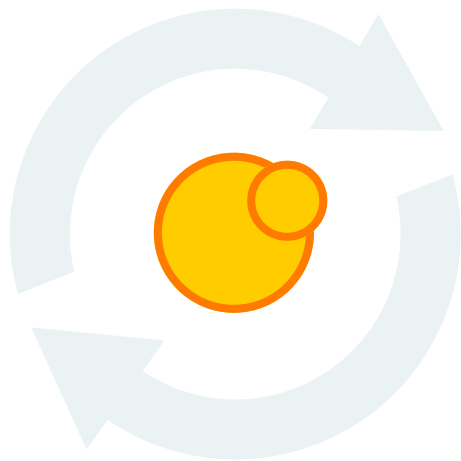

Earn the industry's  
highest CPA  
payouts with **up to**  
**\$1100 per FTD.**

Compare that to  
the maximum of  
\$200 in the  
gambling sector.

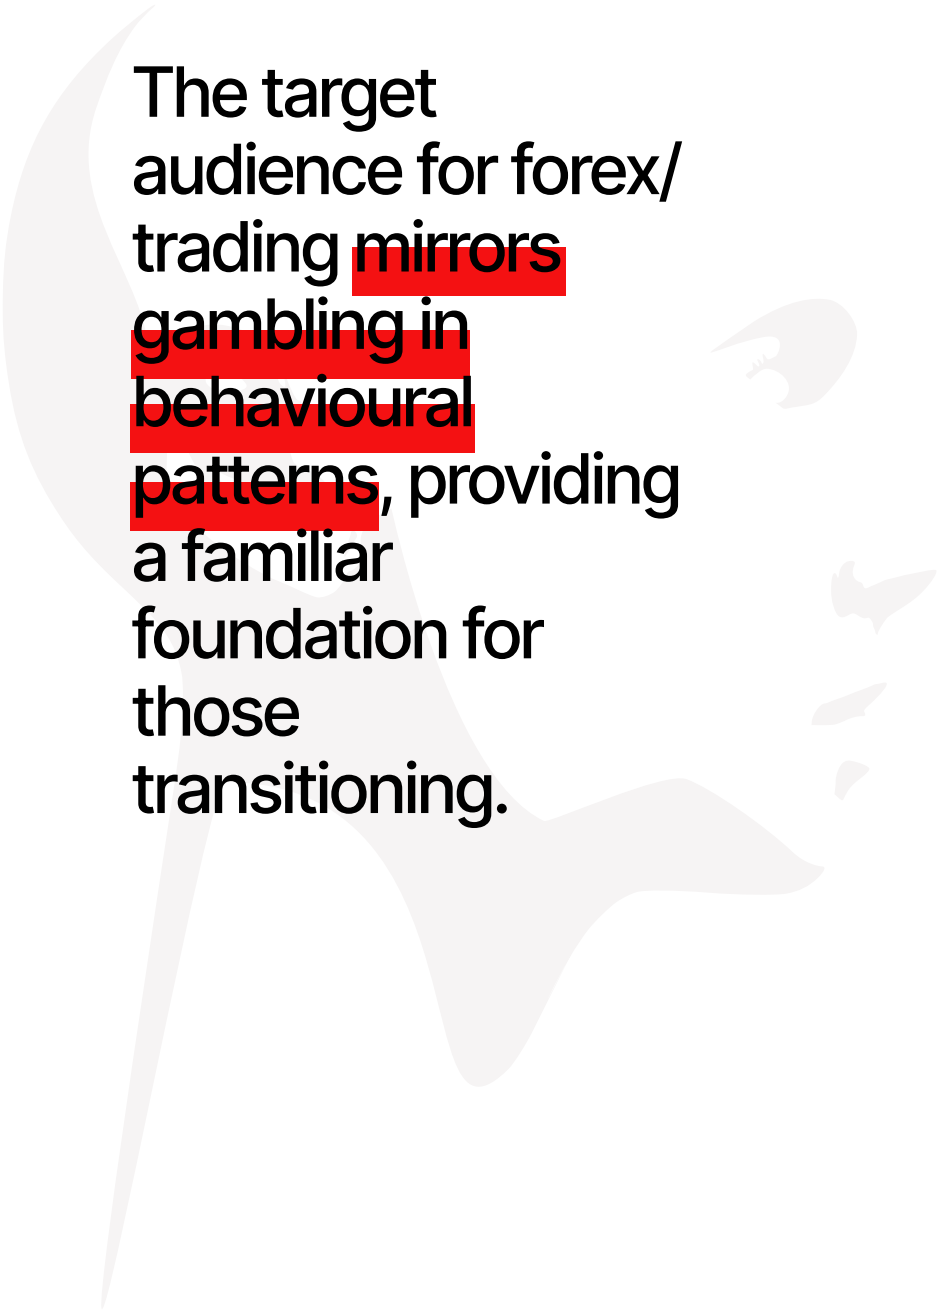

Benefit from a market that's not overcrowded, with low competition, resulting in a potential ROI of over 150%

Access a broader range of geographical regions, many of which remain untapped.

FxPro holds 8 licenses, encompassing banking and financial products across the EU, the UK, and beyond.

This legal standing simplifies Facebook moderation and offers global, compliant operations.

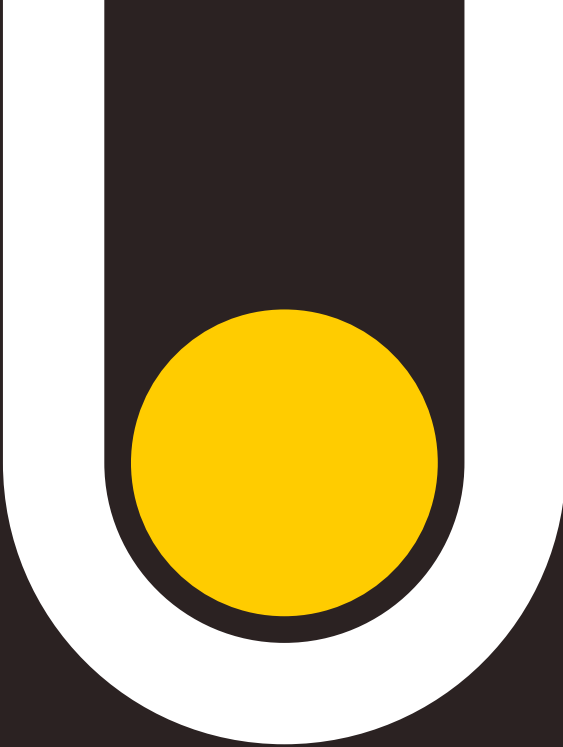

The target audience for forex/trading **mirrors gambling in behavioural patterns**, providing a familiar foundation for those transitioning.

Capitalize on your existing audience, **enabling a smooth shift from betting and gambling verticals.**

With FxPro's affiliate program, we recognise the costs of quality content creation and testing.

We're committed to supporting and offsetting these expenses.

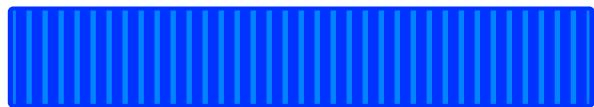

Our affiliate program has **no minimum withdrawal limit**, allowing you to begin with modest tests and budgets.

With **21 years** in the business and accolades from the Financial Times nine consecutive years, **FxPro stands as a trusted partner** for both clients and affiliates.

Forex and trading products cater to **diverse traffic sources**, including but not limited to Facebook, TikTok, Telegram, Instagram, or region-specific social networks.

Trading faces less stringent legal scrutiny compared to related sectors.

Advertisements for trading offers undergo smoother moderation processes.

With the **Official FxPro Trading App**, traders can take their activities on the go, anytime, anywhere.

Packed with advanced **TradingView** charting features, an **integrated economic calendar**, and **seamless fund and account management**, it's everything traders need at their fingertips.
